Dear :

This letter responds to your letter dated February 22, 2010, and subsequent correspondence, requesting an extension of time pursuant to § 301.9100-3 of the Procedure and Administration Regulations to file an application for certification of historic status with the United States Department of Interior for purposes of claiming rehabilitation tax credits under § 47(a)(2) of the Internal Revenue Code.

According to the facts submitted, Taxpayer acquired Property in Year 1. On Date 1, Taxpayer hired a contractor to renovate the property. On Date 2, Taxpayer retained the services of Consultant to assist Taxpayer in preparing and filing the application for certification of historic status of Property with the Department of Interior.

The renovations to Property were completed on Date 3, and Property was placed in service on Date 4. On Date 5, Taxpayer submitted the application for certification of historic status of Property to the Department of the Interior for approval. Therefore, Taxpayer failed to file Part I of the Historic Preservation Certification application with the Department of Interior prior to placing Property in service.

Taxpayer represents that Consultant had failed to inform Taxpayer that Part I of the application needed to be filed before Property was placed in service.

LAW AND ANALYSIS

Section 47(a)(2) of the Internal Revenue Code provides that the rehabilitation credit for any taxable year includes an amount equal to 20 percent of the qualified rehabilitation expenditures with respect to any certified historic structure.

Section 47(c)(3)(A) provides that the term "certified historic structure" means any building (and its structural components) that is (i) listed on the National Register, or (ii) is located in a registered historic district and certified by the Secretary of the Interior as being of historic significance to the district.

Section 1.48-12(d)(1) provides that a building shall be considered to be a certified historic structure at the time it is placed in service if the taxpayer reasonably believes on that date the building will be determined to be a certified historic structure and has requested on or before that date a determination from the Department of Interior that such building is a certified historic structure within the meaning of the historic rehabilitation credit provisions, and the Department of Interior later determines that the building is a certified historic structure.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but no more than six months except in the case of taxpayer who is abroad), under all subtitles of the Code, except subtitles E, G, H, and I.

Section 301.9100-1(b) provides that the term "election" includes an application for relief in respect of tax.

Sections 301.9100-2 and 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election.

Section 301.9100-2 provides automatic extensions of time for making certain elections. Section 301.9100-3 provides extensions of time for making elections that do not meet the requirements of § 301.9100-2. A request for relief under § 301.9100-3 will be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the government.

CONCLUSIONS:

Based solely on the facts and the representations submitted, we conclude that the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. Accordingly, Taxpayer's application will be considered timely filed for purposes of § 1.48-12(d)(1). A copy of this letter should be sent to the appropriate service center with a request that it be attached to Taxpayer's amended tax return for the taxable year. A copy is enclosed for that purpose.

Except as specifically set forth above, we express no opinion concerning the federal income tax consequences of the facts described above under any other provisions of the Code.

We are sending a copy of this letter to the appropriate SB/SE official.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Sincerely,

Associate Chief Counsel
(Passthroughs and Special Industries)
